FROM OUR RECTOR

Dear Parishioners,

In his encyclical, [Caritas In Veritate](#), Pope Benedict the XVI addressed issues related to life:

“When a society moves towards the denial or suppression of life, it ends up no longer finding the necessary motivation and energy to strive for man's true good. If personal and social sensitivity towards the acceptance of a new life is lost, then other forms of acceptance that are valuable for society also wither away. The acceptance of life strengthens moral fiber and makes people capable of mutual help. By cultivating openness to life, wealthy peoples can better understand the needs of poor ones, they can avoid employing huge economic and intellectual resources to satisfy the selfish desires of their own citizens, and instead, they can promote virtuous action within the perspective of production that is morally sound and marked by solidarity, respecting the fundamental right to life of every people and every individual (no. 28, 4).”

As we draw near to the anniversary of the Supreme Court decision that legalized abortion in the United States, let us renew our prayer and efforts to support the dignity of human life. We are saddened by losing more than 60 million children to procured abortions. You are invited to take part in the Annual Memorial Mass on the 49th Anniversary of the Roe v. Wade Decision on Saturday, January 15, 2022, at 10:00 am at the Cathedral Basilica. Following Mass, there will be a Rosary Procession to Planned Parenthood.

On this Sunday that follows the Solemnity of the Epiphany, we are celebrating the Baptism of the Lord. This was the first act of his public life, recounted in all four Gospels. Having reached the age of about 30, Jesus left Nazareth, went to the River Jordan and, in the midst of a great crowd of people, had himself baptized by John.

Mark the Evangelist writes: "And when he came up out of the water, immediately he saw the heavens opened and the Spirit descending upon him like a dove; and a voice came down from heaven, "You are my beloved Son; in you I am well pleased" (Mk 1: 10-11). These words, "You are my beloved Son" reveal what eternal life is: it is the filial relationship with God, just as Jesus lived it and gave it to us.

Now our celebration of Christmas concludes. The Child, who the Magi came to adore at Bethlehem offering their gifts, and our attention now will be drawn away from this scene to discover Christ among us. The eternal truth of Christmas we take with us: That God so loved the world that he gave us his only begotten Son.

ARCHBISHOP'S COLUMN

Learning a deeper way of listening and following

Samuel, the apostles and others are examples of hearing the voice of the living God in a new way

Dear brothers and sisters in Christ,

As we enter the first week of Ordinary Time, the readings have us contemplating new beginnings — a fitting topic as we continue to lean into the New Year!

We hear about the conception, birth and consecration of Samuel — the last judge of Israel and the one who anointed the first two kings of Israel. It's the beginning of the extraordinary life of Samuel and the beginning of a new phase of Israel's history.

We also see the beginning of the public ministry of Jesus in the Gospel of Mark. The healings and exorcisms begin immediately and the people's reaction is telling: "What is this? A new teaching with authority." And: "We have never seen anything like this."

In both cases God is doing something new. Within that theme of newness, however, there is also a call and challenge to us: to listen more deeply to God's voice.

We hear one of the great stories of the Hebrew Scriptures: the call of Samuel. God calls Samuel three times during the night. Each time he runs to the priest Eli, thinking that Eli was calling him. Finally, Eli figures out that God is calling Samuel. One of the most fascinating features of Samuel's call is how the Bible remarks that "At that time Samuel was not familiar with the Lord." Samuel had grown up in the temple at Shiloh! Still, he did not know what the living voice of God sounded like. He was called to learn a new and deeper kind of listening, and that listening became the cornerstone of his prophetic ministry.

We also hear the call of the apostles Simon (Peter), Andrew, James, John and Levi (Matthew) in the Gospel this week. These are men who would have known the Scriptures. But they heard the voice of the living God in a new way. Like Samuel, they learned a deeper way of listening and following.

The importance of listening is highlighted by some important counter-examples in the readings as well. We hear of Hophni and Phinehas, the sons of Eli, who didn't listen to God's law or the warning of their father and brought disaster upon Israel. We hear of the leper who, having been cleansed, didn't listen to Jesus and made it impossible for Jesus to enter a town openly. We hear of the people of Israel, who refused to listen to Samuel's warning about what it would mean for them to have a king, and displaced God as their rightful king.

The consequences of listening and not listening are made abundantly clear this week!

The Olympic Games open in less than a month. One of the things we learn from Olympic athletes is that excellence comes from discipline. Drawing a lesson from that for the life of faith, we might say that excellence in discipleship comes from the discipline of listening to the Lord.

Like Samuel, many of us have grown up in the temple of the Lord. Like Samuel, we are called to learn a deeper kind of listening. It would be a good discipline to work on for the New Year.

Re-Gifting for Pro-Life

The Cathedral Pro-Life Ministry will be collecting two types of items the weekend of January 8 - 9 to support expectant moms and babies:

Simply place your item(s) in the drop boxes at the main entrance of the church after any of the Masses the weekend of January 8 - 9. Questions? Please email Bryan Kirchoff at bryankirchoff@att.net.

Infant Baptism

According to the mind of the Church, parents are obliged to see that infants are baptized within the first weeks after birth. As soon as possible after the birth, or even before it, parents should request the sacrament for their child and are to be properly instructed in preparation for it. Godparents are also encouraged to attend baptismal preparation before the child is born. If you are a **registered parishioner** who is or is about to become a parent or godparent, contact the parish office at 314-373-8202 to schedule a baptism or to register for baptismal preparation class.

A Thought on The Sanctity Of Life

“When we encounter Christ, experience his love, and deepen our relationship with him, we become more aware of our own worth and that of others. His love for each person is cause for great joy, and growing understanding of this priceless treasure motivates us to share his love with others. Our lives are often changed by the witness of others; so too, others’ lives may be changed by our witness and authentic friendship with them.”

Weekly Thoughts on Giving

"John answered them all, 'I baptize you with water; but he who is mightier than I is coming...he will baptize you with the Holy Spirit...' (Luke 3:16)

The Catholic Catechism states that *"Jesus' immersion in the water is a sign for all human beings of the need to die to themselves to do God's will."* In other words, as baptized Catholics there is only one gift that we need to give to Jesus – the gift of ourselves. Surrender yourself to God, place your trust in Him and allow the Holy Spirit to work through you for the greater glory of God.
